

Hello from NPE

April showers bring May flowers

April 2024

Hello NPE Families!

This month of April brings so many exciting events at school!

Students are enjoying the **Spring Book Fair** now through April 11th. Our kindergarten students LOVED their field trip to see Stephen Fite in concert this week! And we will celebrate our **Character Kids** this Thursday at 2:00 pm during our weekly assembly!

Kindergarten students will shine on stage next **Tuesday, April 9th** at 10:00 and 2:00 at their annual music program! Pre-K "**Okie Dokie Daddy Day**" will be enjoyed by all on **Wednesday, April 17** at 8:30 and 12:45. And second grade will be busy traveling and enjoying the Oklahoma Science Museum on Wednesday, April 24's field trip day, as well as participate in the annual "**Take Your Child to Work Day**" on Thursday, April 25. Our 2nd grade students enjoy this fun and fulfilling experience as they spend a day in the life of various careers.

In addition, we look forward to families joining us for **Pastries with Parents**. To help manage the parking and attendance, and in an effort to provide an even more enjoyable morning-time school experience with your child, **Pastries with Parents will be held on two separate mornings**: PreK and Kindergarten Pastries with Parents, Tuesday April 23 from 8:00-8:30. First and Second Grade Pastries with Parents, Wednesday, April 24 from 8:00-8:30. Please be sure to watch for pre-registration opportunities to avoid the kiosk sign-in lines.

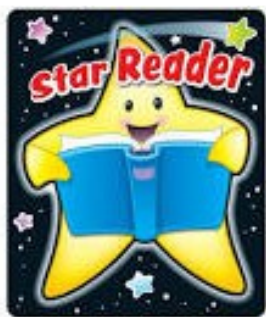

With the spring season, storms and severe weather are always a possibility. Please know we work diligently to keep your child safe and routinely practice for emergency situations. NPE has safe rooms throughout the building to serve the students and staff should severe weather arise during the school day. In addition, Bright Arrow messaging system is used to send notifications to primary contacts via text and email. Please be sure to keep your contact phone number and email up-to-date in order to receive timely information. Thank you!

As always, I am proud of the gains our students make each and every day. Thank you for partnering with us in the education of your child!

Wishing you a beautiful month!

Respectfully,

Mrs. Moseley, Principal

Congratulations!

Our students did it!
NPE students read over 11,000 books in 9 weeks!
Thank you families for reading with your child and logging books!
Please continue to make time to foster and share the amazing adventures that come from reading!

STAR™
Assessment

STAR Reading & Math Testing

April 15-26, students will be taking STAR Reading & STAR Math assessments. These tests are computer-based and have been given throughout the school year, therefore students are familiar with the process.

Please encourage your child to focus and do their very best!

5 Best Activities for Early Childhood

Hey Parents!

Did you know PLAY is the number one activity where most of your child's learning occurs and PLAY also helps optimize their learning? Check out these 5 simple, yet powerful activities to optimize your child's learning at:
